

115 Jared Boxes of toys and games made for children at Boston Children's Hospital

35 baby blankets created for patients visiting Boston

140 Welcome Baby Bags for babies born into poverty

200 "thank you and save the date" cards decorated for next year's Walk For Hunger

150 postcards for veterans thanking them for their service

8 pages of creative writing compiled & volunteer opportunities shared

200 holiday cards created for troops overseas

On October 8, 2017, hundreds gathered together in Boston for PGK's second annual *Create The Change Day* to be of service to others at a time when the world is in need of help, hope and healing.

Children with their parents, teens with their friends, grown-ups wanting to set a positive example, all together for one purpose, to be a sign of light and compassion.
